

JT-SLT-1800 High Speed Paper Slitting Rewinding Machine

Main Parameters:

Max Unwinding Width	1800mm
Max Unwinding Diameter	1500mm
Slitting Width	30mm-1800mm
Max Rewinding Diameter	1500mm (Customized)
Unwinding Shaft	Shaftless Unwinder to Fix Core 3''&4''&6''
Rewinding Shaft	3''&6'' or as per your request
Machine Speed	600m/min
Power	415V 50HZ

Specification:

Unwinding Section
<ul style="list-style-type: none"> ➤ It is with shaftless unwinder to catch the heavy jumbo roll ➤ Hydraulic automatic lift-up loading system ➤ Self expandable chuck ➤ Danceer roller constant tension control system ➤ Tech Mach analog EPC from USA to keep the material in a high precision positive when working.
Rewinding Section
<ul style="list-style-type: none"> ➤ Main motor is 40HP A.C motor which controlled by inverter. ➤ Rewinding motor is 40HP A.C motor which controlled by tension inverter ➤ Rewinding shaft is 3'', 6'' or as per your request. ➤ The contact pressure of the touch roller can be changed automatically. ➤ It adopts the DISK brake to keep the machine work more stable. ➤ 5HP air blower to remove the edge trimming.
Electical Section
<ul style="list-style-type: none"> ➤ Schneider PLC programmable unit and Schneider inverter bus system. ➤ Touch screen for setting tension, slitting width, length...etc. ➤ It equipped with power distribution cooling equipment.
Slitting Section
<ul style="list-style-type: none"> ➤ Choices of Razor cutter or Disc cutter. ➤ Cutter with adjustable and moveable blade base.
Optional
<ul style="list-style-type: none"> ➤ FEMALE KNIFE O.D.105 X I.D.80 X T5 ➤ 2 STATIC REMOVE STICK WITH POWER SUPPLY(MADE IN CHINA) ➤ CONNECTED FLAT TYPE WITH SUCTION DEVICE(12.5 DEGREE)

Configuration:

Name	Model	Pieces
Computer System	Schneider PLC + Schneider inverter bus system +Touch Screen	1 set
Main Motor	40HP A.C Motor	1 Set
Rewinding Motor	40HP A.C Motor	2 Sets
Hydraulic Pump	2HP AC Motor	1 Set
Unwinding Shaft	3" &4"&6"	1 Set
Rewinding Shaft	3" 6"	2 Pcs
Unwinder Brake	80Kgs	1 Set
Dancing Roller		1Set
Web Guiding		1 Set
Air Blower	5HP	1 Set
Spread Roller	125mm	1 Set
Tension Controller		1 Set
Cooling Equipment		1 Set
