

Maufung SMART 390A Casing-in

HMI digital setup, auto cover feeder and hydraulic pressing and crease forming make this a highly productive casing-in unit.

Western electronics and cast iron construction contribute to the durability.

Automatic Photo Album Casing-In & Joint-Forming Pressing Machine for Lay flat Photo Book Making MF-FAC390

Description

Max Speed:	450 PCS/hour	Max Size:	390*297mm
Min Size:	100*100mm	Voltage:	380/220V,3PH
Block Thickness:	4-60mm	Highlights:	Fast Speed, Easy Adjusting
Usage:	Hard Cover Book, Notebook, Photo Book Making Machine
